CAHS Weather Related Protocol
When inclement weather threatens the safety of the University of Cincinnati community, the Senior Vice President for Administration and Finance may invoke University Rule 3361: 10-55-01 and declare an emergency closing.

The College of Allied Health Sciences will observe the university emergency closing protocol for all on-campus classes. During a university emergency closing, all college offices will be closed. CAHS CETIS will be available online 8:30am-5:00pm to monitor the cetishelp@uc.edu email account as well as the online ticketing system. If you need assistance during the closure, please send an email and/or request a phone call.

Students should clarify with their course instructors how the closure will affect assignments and deadlines, and whether class information from the missed session(s) will be posted on Blackboard, and/or if the class will meet virtually during the closure.

*Given that the Master of Health Administration program is taught entirely online, all classes will continue as indicated in the course syllabi unless instructed otherwise by the instructor.*
